*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2023/24

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this AGAR. Proper
 Practices are found in the Practitioners' Guide* which is updated from time to time and contains everything
 needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2024.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not fully explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2023) equals the balance brought forward in the current year (Box 1 of 2024).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.

Section 3 – External Auditor's Report and Certificate 2023/24

In respect of

Bletchley and Fenny Stratford Town Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- · summarises the accounting records for the year ended 31 March 2024; and
- · confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2023/24

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2023/24

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.

Background

All town and parish councils are required by statute to make arrangements for an independent internal audit examination of their accounting records and system of internal control and for the conclusions to be reported each year in the Annual Return. Auditing Solutions Ltd has provided this service to Bletchley & Fenny Stratford Town Council since 2013.

This report sets out the work undertaken in relation to the 2023-24 financial year which were completed by the 11th October 2023 and 17th April 2024. We have again undertaken our final review for the year remotely: we wish to thank the Clerk and the Finance Officer in assisting the process, providing all necessary documentation in electronic format to facilitate completion of our reviews for the year. We have examined various aspects of the Council management and administration and a sample of payments ensuring governance and financial controls remain effective.

Internal Audit Approach

In undertaking our reviews for the financial year, we have had regard to the materiality of transactions and their susceptibility to potential mis-recording or misrepresentation in the year-end Statement of Accounts/Annual Return. We have employed a combination of selective sampling techniques (where appropriate) and 100% detailed checks in a number of key areas in order to gain sufficient assurance that the Council's financial and regulatory systems and controls are appropriate and fit for the purposes intended.

Our programme of cover has been designed to afford appropriate assurance that the Council's financial systems are robust and operate in a manner to ensure effective probity of transactions and to afford a reasonable probability of identifying any material errors or possible abuse of the Council's own and the national statutory regulatory framework. The programme is also designed to facilitate our completion of the 'Annual Internal Audit Report' in the Council's Annual Return, which requires independent assurance over a number of internal control objectives.

Overall Conclusion

No significant issues have been identified during the course of the reviews and we are able to conclude that, in the areas examined, effective systems of financial control continue to operate and help to ensure that transactions and have been reflected accurately in the year-end Annual Governance and Accountability Return for 2023-24.

We ask that members consider the content of this report and acknowledge that the report has been reviewed by Council.

We have completed and signed the 'Annual Internal Audit Report' in the year's Annual Governance and Accountability Return, having concluded that, in all significant respects, the control objectives set out in that report were being achieved throughout the financial year to a standard adequate to meet the needs of the Council.

This report has been prepared for the sole use of Bletchley & Fenny Stratford Town Council. Detailed Report

Review of Accounting Arrangements & Bank Reconciliations

Our objective here is to ensure that the accounting records are being maintained accurately and currently and that no anomalous entries appear in cashbooks or financial ledgers. To that end, we have: -

- Checked and agreed the opening Trial Balance for 2023-24 to the closing Financial Statements for 2022-23 to ensure that all the detailed balances have been accurately rolled forward;
- Ensured that the coding structure is appropriate for purpose and provides appropriate detail to assist in the preparation of the Council's year-end Annual Return;
- Checked and agreed transactions in the Council's Unity Bank Current and Deposit account cashbooks to the relevant bank statements for April and September 2023 and march 2024;
- Checked and agreed all transactions, comprising inter account transfers and other sundry receipts and payments on the Unity Trust bank account cashbooks against the relevant bank statements for the year; and
- Checked detail on the bank reconciliations and nominal ledgers for the Current & Deposit accounts as at April and September 2023 and March 2024 to ensure that no long-standing uncleared cheques or other anomalous entries exist.

Conclusions

We are pleased to report that no significant issues have been identified in this area.

Review of Corporate Governance

Our objective here is to ensure that the Council has robust corporate governance documentation and processes in place; that Council and Committee (where appropriate) meetings are conducted in accordance with the adopted Standing Orders and that, as far as we are able to ascertain, no actions of a potentially unlawful nature have been or are being considered for implementation. We have: -

- Noted that the Standing Orders and Finance Regulations were reviewed and readopted by the Council in May 2023; and
- Examined the Council's minutes for the current year to determine whether or not any issues exist that may have an adverse effect, through litigation or other causes, on the Council's future financial stability.

Conclusions

We are pleased to report that no significant issues have been identified in this area

Auditing Solutions Ltd

Review of Expenditure

Our aim here is to ensure that: -

- Council resources are released in accordance with the Council's approved procedures and budgets;
- Payments are supported by appropriate documentation, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and/or an acknowledgement of receipt, where no other form of invoice is available;
- All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount;
- > The correct expense codes have been applied to invoices when processed;
- > All payments have been reported to Council; and
- > VAT has been appropriately identified and continues to be reclaimed quarterly.

We have selected a sample of payments for examination to ensure compliance with the above criteria from the Current Account cashbook transactions, excluding salary related payments, irrespective of value processed in the year to March 2024.

We are pleased to note that members are provided routinely with and approve a schedule of payments, including detail of petrol card purchases and Direct Debits, together with monthly bank reconciliation detail, also that the Council's signatories sign the schedule of payments as confirmation that they have reviewed and agreed the content to the supporting invoices.

Finally, in this area, we have examined the content of the VAT reclaims submitted to HMRC for the year to March 2024, agreeing the returns to the underlying control account detail and the sample invoices that we have reviewed.

Conclusions

We are pleased to record that no significant issues have been identified in this area of review.

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage those risks identified in order to minimise the opportunity for their coming to fruition.

- We note that the Financial Risk Assessment programme was reviewed and adopted by the Council for 2023-2024;
- We also note that the Council has contracted with Ellis Whittam as a provider for both Health & Safety and Human Resources support.; and

➤ We have examined the current year's insurance with the Zurich noting that Employer's and Public Liability cover are each in place at £10 million, with Fidelity Guarantee cover at £2 million.

Conclusions

No issues have arisen in this area warranting formal comment or recommendation currently with appropriate insurance cover in place.

Precept Determination and Budget Control

We aim in this area of our work to ensure that the Council has appropriate procedures in place to determine its future financial requirements leading to the adoption of an approved budget and formal determination of the amount to be precepted on Milton Keynes Council, that effective arrangements are in place to monitor budgetary performance throughout the financial year and that the Council has identified and retains appropriate reserve funds to meet future spending plans.

We note that the Council, at its 30th January 2024 meeting, approved a precept of $\pounds 1,234,426-74$.

We are also pleased to note that members continue to receive regular budget monitoring reports with over/under-spends and the level of earmarked reserves the subject of regular review.

Conclusions

No issues have been identified in this area warranting formal comment or recommendation.

Review of Income

In considering the Council's income streams, we aim to ensure that robust systems are in place to ensure the identification of all income due to the Council from its various sources, to ensure that the income is invoiced in a timely manner and that effective procedures are in place to pursue recovery of any outstanding monies due to the Council. We have;

- At the interim review, we reviewed the cash book and nominal ledgers entries in respect of the market;
- Reviewed the collection of rentals, the management controls and the subsequent banking of fees;
- We have also completed a sample review of the invoicing of the market stall holders, the Fenny Stratford Community Centre and the Newton Leys Pavilion together with the sales receipts ledger; and
- Also noted that members had previously reviewed the fees and the method of calculation for the Halls and market for 2023-24.

Conclusions

There are no issues arising from our examination of the operational controls and reviews undertaken in this area.

Petty Cash Account

We note that the Council continues to operate a limited petty cash account in the administration office and at Spotlight.

We note that a payment card is now being used and we have completed a sample check of the cash book entries. We have also checked a sample of the petrol card payment through the cashbook.

We have not physically checked the cash but have reviewed the holding from the information that we have been provided and we consider that it continues to operate effectively. As we are working remotely, we suggest that where possible an independent check is undertaken to confirm that the cash has been checked and the account balances. This should be minuted accordingly.

Conclusions

No matters arise in this area warranting formal comment or recommendation.

Salaries and Wages

In examining the Council's payroll function, we aim to confirm that extant legislation is being appropriately observed as regards adherence to the Employee Rights Act 1998 and the requirements of HM Revenue and Customs (HMRC) legislation as regards the deduction and payment over of income tax and NI contributions, together with meeting the requirements of the local government pension scheme, as further revised from 1st April 2021 in relation to employee percentage bandings; we have

- > Ensured that the Council reviews and approves pay scales for staff as appropriate;
- Agreed the gross salary payment to each individual on the payroll as compiled by Payroll Options for September 2023 by reference to the Council's approved pay scales. Also verifying that the net payments corresponded to the salary return settlement statement for the month; and
- Checked to ensure that the correct Tax codes, National Insurance tables and LGPS salary banding pension rates have been accurately applied and that the deductions arising therefrom have been paid over to the respective agencies in a timely manner.

Conclusions

No significant matters arise warranting formal comment or recommendation.

Fixed Asset Registers

The Governance and Accountability Manual requires all councils to maintain a record of all assets owned. We have checked and agreed the principles used in the detail, as recorded in the Council's Asset Register, noting that it has been prepared using purchase cost values or where that value is unknown at the previous year's Return level or uplifted or decreased to reflect the acquisition or disposal of assets.

Conclusion

No issues require formal comment or recommendation.

Investments and Loans

The Council has no investments requiring separate disclosure, any "surplus" funds being held are deposit accounts with Unity Trust Bank: we have, as noted above, verified detail of transactions for the year to date from bank statements to the cash books. We have also reviewed the deposit held with the CCLA.

The Council has no loans in place, either repayable by or to it.

Conclusions

No matters arise in this area of our review for the year. We will undertake further work at our final review.

Annual Governance and Accountability Return

The Accounts and Audit Regulations required that all Councils prepare a detailed Statement of Accounts, together with supporting statements identifying other aspects of the Council's financial affairs.

We have examined the Council's procedures in relation to the preparation of the year-end detailed Annual Governance and Accountability Return data, also reviewing the arrangements for the identification of year-end debtors and creditors with no issues arising.

Conclusions

No issues have arisen in this review area and, on the basis of work undertaken during the year, we have duly signed off the Internal Audit Report of the Annual Governance and Accountability Return, assigning positive assurances in each relevant area.
